## The Learning Tree Child Care Center Parent Statement for Licensing Inspections

I have been informed that as required by the Child Care Organizations Act, 1973 PA 116, as amended, The Learning Tree Child Care Center is required to maintain a licensing notebook of all licensing inspection reports, special investigation reports and all related corrective action plans.

The notebook will be available to parents for review.

Licensing inspection and special investigation reports from the past two years are available on the Bureau of Children and Adult Licensing website at [www.michigan.gov/michildcare](http://www.michigan.gov/michildcare).
